How to Uninstall the GUNPLA PRESENTATION VR

How to uninstall Gunpla VR Launcher and Gunpla VR from your computer. Thank you very much.

As of 11:59PM on November 1st, the Gunpla Presentation VR event will come to a close. Here is how to completely remove the software from your computer.

#### [method 1 : WINDOWS 7]

1) Begin by clicking on the Windows Start Icon in the bottom corner of your screen.

2) After clicking, start typing "Gunpla VR". X No input box will appear until you first press the G key. A list of Gunpla Presentation VR-related programs will appear in the list on the left.

3) Right-click on the "Gunpla VR" panel or the "Gunpla VR Launcher" panel, then select "Uninstall" from the small drop-down menu that appears under your mouse.

7) Windows will again ask you for permission before a small window will appear and ask you if you'd like to Uninstall. Select "Yes".

Please wait while the program is automatically uninstalled.

[method 2: WINDOWS 10]

1) Left-click the Windows Start button in the corner of your screen (The one that

looks like the Windows logo)

2) Inside the menu that appears, left-click the small settings icon (the small gear icon) with your mouse.

## 3) After selecting Settings, the following Windows Settings screen will be displayed.

Inside the Windows Settings screen, find the option for Applications and left-click it with our mouse.

4) After clicking, the Applications and Features window will appear.

	3D Viewer Microsoft Corporation	1.51 MB 10/1/2020	

# 5) Halfway down the page, there is a search box.

Start by typing "gunpla" in that box, and the installed applications will appear.

# 6) You will see two programs appear,

"Gunpla VR Launcher version 1.0" and "Gunpla VR version 1.0"

You must uninstall both of these programs	to remove GunplaVR from your system.
